STOCK

Section 5.1 Authorized Shares. The Corporation has authority to issue 950,000,000 Shares, consisting of 900,000,000 shares of common stock, \$0.01 par value per share ("Common Shares"), and 50,000,000 shares of preferred stock, \$0.01 par value per share ("Preferred Shares"). The aggregate par value of all authorized Shares is \$9,500,000. All Shares shall be fully paid and non-assessable when issued. If Shares of one class are classified or reclassified into Shares of another class pursuant to this Article V, the number of authorized Shares of the former class shall be automatically decreased and the number of Shares of the latter class shall be automatically increased, in each case by the number of Shares so classified or reclassified, so that the aggregate number of Shares of all classes that the Corporation has authority to issue shall not be more than the total number of Shares set forth in the first sentence of this paragraph. The Board of Directors,

with the approval of a majority of the entire Board and without any action by the Stockholders, may amend the Charter from time to time to increase or decrease the aggregate number of Shares or the number of Shares of any class or series that the Corporation has authority to issue.

Section 5.2 Common Shares.

Section 5.2.1 Common Shares Subject to Terms of Preferred Shares. The Common Shares shall be subject to the express terms of any series of Preferred Shares.

Section 5.2.2 Description. Subject to the provisions of Article VI and except as may otherwise be specified in the Charter, each Common Share shall entitle the holder thereof to one vote per share on all matters upon which Stockholders are entitled to vote pursuant to Section 11.2 hereof. The Board may classify or reclassify any unissued Common Shares from time to time into one or more classes or series of Shares; provided, however, that the voting rights per Share (other than any publicly held Share) sold in a private offering shall not exceed the voting rights which bear the same relationship to the voting rights of a publicly held Share as the consideration paid to the Corporation for each privately offered Share bears to the book value of each outstanding publicly held Share.

Section 5.2.3 Rights Upon Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up, or any Distribution of the Assets, the aggregate Assets available for Distribution to holders of the Common Shares shall be determined in accordance with applicable law. Each holder of Common Shares of a particular class shall be entitled to receive, ratably with each other holder of Common Shares of such class, that portion of such aggregate Assets available for Distribution as the number of outstanding Common Shares of such class held by such holder bears to the total number of outstanding Common Shares of such class then outstanding.

Section 5.2.4 Voting Rights. Except as may be provided otherwise in the Charter, and subject to the express terms of any series of Preferred Shares, the holders of the Common Shares shall have the exclusive right to vote on all matters (as to which a common stockholder shall be entitled to vote pursuant to applicable law) at all meetings of the Stockholders.

Section 5.3 Preferred Shares. The Board may classify any unissued Preferred Shares and reclassify any previously classified but unissued Preferred Shares of any series from time to time, into one or more classes or series of Shares; provided, however, that the voting rights per Share (other than any publicly held Share) sold in a private offering shall not exceed the voting rights which bear the same relationship to the voting rights of a publicly held Share as the consideration paid to the Corporation for each privately offered Share bears to the book value of each outstanding publicly held Share.

Section 5.4 Classified or Reclassified Shares. Prior to issuance of classified or reclassified Shares of any class or series, the Board by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of Shares; (b) specify the number of Shares to be included in the class or series; (c) set or change, subject to the provisions of Article VI and subject to the express terms of any class or series of Shares outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other

Distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Corporation to file articles supplementary with SDAT. Any of the terms of any class or series of Shares set or changed pursuant to clause (c) of this Section 5.4 may be made dependent upon facts or events ascertainable outside the Charter (including determinations by the Board or other facts or events within the control of the Corporation) and may vary among holders thereof, provided that the manner in which such facts, events or variations shall operate upon the terms of such class or series of Shares is clearly and expressly set forth in the articles supplementary or other Charter document.

Section 5.5 Distributions. The Board of Directors may from time to time authorize the Corporation to declare and pay to Stockholders such dividends or other Distributions, in cash or other assets of the Corporation or in securities of the Corporation, including in Shares of one class or series payable to holders of Shares of another class or series, or from any other source as the Board of Directors in its discretion shall determine. The Board of Directors shall endeavor to authorize the Corporation to declare and pay such dividends and other Distributions as shall be necessary for the Corporation to qualify as a REIT under the Code; provided, however, Stockholders shall have no right to any dividend or other Distribution unless and until authorized by the Board and declared by the Corporation. The exercise of the powers and rights of the Board of Directors pursuant to this Section 5.5 shall be subject to the provisions of any class or series of Shares at the time outstanding. The receipt by any Person in whose name any Shares are registered on the records of the Corporation or by his or her duly authorized agent shall be a sufficient discharge for all dividends or other Distributions payable or deliverable in respect of such Shares and from all liability to see to the application thereof. Distributions in kind shall not be permitted, except for distributions of readily marketable securities, distributions of beneficial interests in a liquidating trust established for the dissolution of the Corporation and the liquidation of its assets in accordance with the terms of the Charter or distributions in which (a) the Board advises each Stockholder of the risks associated with direct ownership of the property, (b) the Board offers each Stockholder the election of receiving such in-kind distributions and (c) in-kind distributions are made only to those Stockholders that accept such offer.

Section 5.6 Charter and Bylaws. The rights of all Stockholders and the terms of all Shares are subject to the provisions of the Charter and the Bylaws.

Section 5.7 No Issuance of Share Certificates. Unless otherwise provided by the Board of Directors, the Corporation shall not issue stock certificates. A Stockholder's investment shall be recorded on the books of the Corporation. To transfer his or her Shares, a Stockholder shall submit an executed form to the Corporation, which form shall be provided by the Corporation upon request. Such transfer will also be recorded on the books of the Corporation. Upon issuance or transfer of Shares, the Corporation will provide the Stockholder with information concerning his or her rights with regard to such Shares, as required by the Bylaws and the MGCL or other applicable law. The Corporation shall continue to treat the holder of uncertificated Shares registered on its stock ledger as the owner of the Shares noted therein until the new owner delivers a properly executed form provided by the Corporation for that purpose.

Section 5.8 Suitability and Minimum Investment of Stockholders. Upon the Commencement of the Initial Public Offering and until Listing, the following provisions shall apply:

Section 5.8.1 Investor Suitability Standards. Subject to suitability standards established by individual states, to become a Stockholder, if such prospective Stockholder is an individual (including an individual beneficiary of a purchasing individual retirement account), or if the prospective Stockholder is a fiduciary (such as a trustee of a trust or corporate pension or profit sharing plan, or other tax-exempt organization, or a custodian under a Uniform Gifts to Minors Act), such individual or fiduciary, as the case may be, must represent to the Corporation, among other requirements as the Corporation may require from time to time:

(a) that such individual (or, in the case of a fiduciary, that the fiduciary account or the donor who directly or indirectly supplies the funds to purchase the Shares) has a minimum annual gross income of \$70,000 and a net worth (excluding home, furnishings and automobiles) of not less than \$70,000; or

(b) that such individual (or, in the case of a fiduciary, that the fiduciary account or the donor who directly or indirectly supplies the funds to purchase the Shares) has a net worth (excluding home, furnishings and automobiles) of not less than \$250,000.

Section 5.8.2 Determination of Suitability of Sale. The Sponsor and each Person selling Common Shares on behalf of the Corporation, and each broker or dealer or registered investment adviser recommending the purchase of shares to a customer shall make a reasonable effort to determine that the purchase of Common Shares by a Stockholder is a suitable and appropriate investment for such Stockholder. In making this determination, the Sponsor and each Person selling Common Shares on behalf of the Corporation shall ascertain that the prospective Stockholder: (a) meets the minimum income and net worth standards established for the Corporation; (b) can reasonably benefit from an investment in the Corporation based on the prospective Stockholder's investment objectives and portfolio structure; (c) is able to bear the economic risk of the investment; and (d) has apparent understanding of (i) the fundamental risks of the investment; (ii) the risk that the Stockholder may lose the entire investment; (iii) the lack of liquidity of the Common Shares; (iv) the restrictions on transferability of the Common Shares; and (v) the tax consequences of the investment.

The Sponsor and each Person selling shares on behalf of the Sponsor or the Corporation shall make this determination with respect to each prospective Stockholder on the basis of information it has obtained from such prospective Stockholder. The Sponsor and each Person selling shares on behalf of the Corporation may each rely upon (i) the Person directly recommending the purchase of shares to a customer if that Person is a FINRA member broker or dealer that has entered into a selling agreement with the Sponsor or the Corporation or their Affiliates or (ii) a registered investment adviser that has entered into an agreement with the Sponsor or the Corporation or their Affiliates to make suitability determinations with respect to the customers of the registered investment adviser who may purchase shares.

Section 5.8.3 Minimum Investment and Transfer. Subject to certain individual state requirements and except with respect to the issuance of Common Shares under the Reinvestment

Plan, no initial sale or transfer of Common Shares of less than \$10,000, or such other amounts as determined by the Board, will be permitted.

Section 5.9 Repurchase of Shares. The Board may establish, from time to time, a program or programs by which the Corporation voluntarily repurchases Shares from its Stockholders; provided, however, that such repurchase does not impair the capital or operations of the Corporation. Neither the Sponsor, the Advisor, any member of the Board or any Affiliate thereof may receive any fees arising out of the repurchase of Shares by the Corporation.

Section 5.10 Distribution Reinvestment Plans. The Board may establish, from time to time, a distribution reinvestment plan or plans (each, a "Reinvestment Plan"). Under any such Reinvestment Plan, (a) all material information regarding Distributions to the Stockholders and the effect of reinvesting such Distributions, including the tax consequences thereof, shall be provided to the Stockholders not less often than annually, and (b) each Stockholder participating in such Reinvestment Plan shall have a reasonable opportunity to withdraw from the Reinvestment Plan not less often than annually after receipt of the information required in clause (a) above.

ARTICLE VI

RESTRICTION ON TRANSFER AND OWNERSHIP OF SHARES

Section 6.1 Shares.

Section 6.1.1 Ownership Limitations. During the period commencing on the Initial Date and prior to the Restriction Termination Date, but subject to Section 6.3:

(a) Basic Restrictions.

(i) (1) No Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own Shares in excess of the Aggregate Share Ownership Limit, (2) no Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own Common Shares in excess of the Common Share Ownership Limit and (3) no Excepted Holder shall Beneficially Own or Constructively Own Shares in excess of the Excepted Holder Limit for such Excepted Holder.

(ii) No Person shall Beneficially Own or Constructively Own Shares to the extent that such Beneficial or Constructive Ownership of Shares would result in the Corporation (1) being "closely held" within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or (2) otherwise failing to qualify as a REIT (including, but not limited to, Beneficial or Constructive Ownership that would result in the Corporation owning (actually or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by the Corporation from such tenant would cause the Corporation to fail to satisfy any of the gross income requirements of Section 856(e) of the Code); provided, however, that this Section 6.1.1(a)(ii)(1) shall not apply to the Corporation's first taxable year for which a REIT election is made, and the Board of Directors may waive this Section 6.1.1(a)(ii)(1) if, in the opinion of the Board of Directors, such ownership would not adversely affect the Corporation's ability to qualify as a REIT.

(iii) Any Transfer of Shares that, if effective, would result in Shares being beneficially owned by fewer than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares; provided, however, that (1) this Section 6.1.1(a)(iii) shall not apply to a Transfer of Shares occurring in the Corporation's first taxable year for which a REIT election is made and (2) the Board of Directors may waive this Section 6.1.1(a)(iii) if, in the opinion of the Board of Directors, such Transfer would not adversely affect the Corporation's ability to qualify as a REIT.

(b) Transfer in Trust. If any Transfer of Shares occurs which, if effective, would result in any Person Beneficially Owning or Constructively Owning Shares in violation of Section 6.1.1(a)(i) or (ii),

(i) then that number of Shares the Beneficial or Constructive Ownership of which otherwise would cause such Person to violate Section 6.1.1(a)(i) or (ii) (rounded up to the nearest whole share) shall be automatically Transferred to a Charitable Trust for the benefit of a Charitable Beneficiary, as described in Section 6.2, effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such Shares; or

(ii) if the Transfer to the Charitable Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 6.1.1(a)(i) or (ii), then the Transfer of that number of Shares that otherwise would cause any Person to violate Section 6.1.1(a)(i) or (ii) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares.

To the extent that, upon a transfer of Shares pursuant to this Section 6.1.1(b), a violation of any provision of this Article VI would nonetheless be continuing (for example where the ownership of Shares by a single Charitable Trust would violate the 100 stockholder requirement applicable to REITs), then Shares shall be transferred to that number of Charitable Trusts, each having a distinct Charitable Trustee and a Charitable Beneficiary or Beneficiaries that are distinct from those of each other Charitable Trust, such that there is no violation of any provision of this Article VI.

Section 6.1.2 Remedies for Breach. If the Board of Directors or its designee (including any duly authorized committee of the Board) shall at any time determine that a Transfer or other event has taken place that results in a violation of Section 6.1.1 or that a Person intends to acquire or has attempted to acquire Beneficial or Constructive Ownership of any Shares in violation of Section 6.1.1 (whether or not such violation is intended), the Board of Directors or its designee shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem Shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfers or attempted Transfers or other events in violation of Section 6.1.1 shall automatically result in the Transfer to the Charitable Trust described above, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non-action) by the Board of Directors or its designee.

Section 6.1.3 Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of Shares that will or may violate Section 6.1.1(a), or any Person who would have owned Shares that resulted in a Transfer to the Charitable Trust pursuant to the provisions of Section 6.1.1(b), shall immediately give written notice to the Corporation of such event, or in the case of such a proposed or attempted transaction, give at least 15 days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT.

Section 6.1.4 Owners Required to Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(a) every owner of more than five percent (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding Shares, within 30 days after the end of each taxable year, shall give written notice to the Corporation stating the name and address of such owner, the number of Shares Beneficially Owned and a description of the manner in which such Shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status as a REIT and to ensure compliance with the Aggregate Share Ownership Limit, the Common Share Ownership Limit and the other restrictions set forth herein; and

(b) each Person who is a Beneficial or Constructive Owner of Shares and each Person (including the Stockholder of record) who is holding Shares for a Beneficial or Constructive Owner shall provide to the Corporation such information as the Corporation may request in order to determine the Corporation's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

Section 6.1.5 Remedies Not Limited. Subject to Section 7.10 of the Charter, nothing contained in this Section 6.1 shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its Stockholders in preserving the Corporation's status as a REIT.

Section 6.1.6 Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 6.1, Section 6.2 or any definition contained in Article IV, the Board of Directors shall have the power to determine the application of the provisions of this Section 6.1 or Section 6.2 with respect to any situation based on the facts known to it. In the event Section 6.1 or 6.2 requires an action by the Board of Directors and the Charter fails to provide specific guidance with respect to such action, the Board of Directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Article IV or Sections 6.1 or 6.2. Absent a decision to the contrary by the Board of Directors (which the Board may make in its sole and absolute discretion), if a Person would have (but for the remedies set forth in Section 6.1.2) acquired Beneficial or Constructive Ownership of Shares in violation of Section 6.1.1, such remedies (as applicable) shall apply first to the Shares which, but for such remedies, would have been Beneficially Owned or Constructively Owned (but not actually owned)

by such Person, pro rata among the Persons who actually own such Shares based upon the relative number of the Shares held by each such Person.

Section 6.1.7 Exceptions.

(a) Subject to Section 6.1.1(a)(ii), the Board of Directors, in its sole discretion, may exempt (prospectively or retroactively) a Person from the Aggregate Share Ownership Limit and the Common Share Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person if the Board of Directors determines, in its sole discretion, that such exemption will not cause the Corporation to fail to qualify as a REIT under the Code.

(b) Prior to granting any exemption pursuant to Section 6.1.7(a), the Board of Directors may require the Person seeking such exemption to make certain representations or undertakings or to agree that any violation or attempted violation of such representation or undertaking (or other action which is contrary to the restrictions otherwise contained in this Charter) will result in such shares of capital stock being automatically transferred to a Charitable Trust in accordance with Section 6.2 and/or may require a ruling from the Internal Revenue Service, or an opinion of counsel, in either case in form and substance satisfactory to the Board of Directors in its sole discretion, as it may deem necessary or advisable in order to determine or ensure the Corporation's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board of Directors may impose such conditions or restrictions as it deems appropriate in connection with granting such an exemption.

(c) Subject to Section 6.1.1(a)(ii), an underwriter which participates in a public offering or a private placement of Shares (or securities convertible into or exchangeable for Shares) may Beneficially Own or Constructively Own Shares (or securities convertible into or exchangeable for Shares) in excess of the Aggregate Share Ownership Limit, the Common Share Ownership Limit or both such limits, but only to the extent necessary to facilitate such public offering or private placement.

(d) The Board of Directors may only reduce the Excepted Holder Limit for an Excepted Holder: (i) with the written consent of such Excepted Holder at any time, or (ii) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the Common Share Ownership Limit.

Section 6.1.8 Increase or Decrease in Aggregate Share Ownership and Common Share Ownership Limits. Subject to Section 6.1.1(a)(ii), the Board of Directors may from time to time increase or decrease the Common Share Ownership Limit and the Aggregate Share Ownership Limit for one or more Persons and increase or decrease the Common Share Ownership Limit and the Aggregate Share Ownership Limit for all other Persons. No decreased Common Share Ownership Limit and/or Aggregate Share Ownership Limit will be effective for any Person whose percentage of ownership in Shares is in excess of such decreased Common Share Ownership Limit and/or Aggregate Share Ownership Limit, as applicable, until such time as such Person's percentage of ownership in Shares equals or falls below the decreased Common Share Ownership

Limit and/or Aggregate Share Ownership Limit, but any further acquisition of Shares in excess of such percentage ownership of Shares will be in violation of the Common Share Ownership Limit and/or Aggregate Share Ownership Limit and, provided further, that the new Common Share Ownership Limit and/or Aggregate Share Ownership Limit would not allow five or fewer Persons to Beneficially Own more than 49.9% in value of the outstanding Shares.

Section 6.1.9 Legend. Any certificate representing Shares shall bear substantially the following legend:

The Shares represented by this certificate are subject to restrictions on Beneficial and Constructive Ownership and Transfer for the purpose, among others, of the Corporation's maintenance of its status as a real estate investment trust (a "REIT") under the Internal Revenue Code of 1986, as amended (the "Code"). Subject to certain further restrictions and except as expressly provided in the Corporation's charter, (i) no Person may Beneficially or Constructively Own Common Shares in excess of 9.8% (in value or number of Common Shares) of the outstanding Common Shares unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (ii) no Person may Beneficially or Constructively Own Shares in excess of 9.8% of the value of the total outstanding Shares, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (iii) no Person may Beneficially or Constructively Own Shares that would result in the Corporation being "closely held" under Section 856(h) of the Code or otherwise cause the Corporation to fail to qualify as a REIT; and (iv) any Transfer of Shares that, if effective, would result in Shares being beneficially owned by fewer than 100 Persons (as determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares. Any Person who Beneficially or Constructively Owns or attempts to Beneficially or Constructively Own Shares which cause or will cause a Person to Beneficially or Constructively Own Shares in excess or in violation of the above limitations must immediately notify the Corporation in writing (or, in the case of an attempted transaction, give at least 15 days prior written notice) and provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT. If any of the restrictions on Transfer or ownership as set forth in (i), (ii) or (iii) above are violated, the Shares in excess or in violation of the above limitations will be automatically Transferred to a Charitable Trust for the benefit of one or more Charitable Beneficiaries. In addition, the Corporation may redeem Shares upon the terms and conditions specified by the Board of Directors in its sole discretion if the Board of Directors determines that ownership or a Transfer or other event may violate the restrictions described above. Furthermore, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described in (i), (ii) or (iii) above may be void ab initio.

All capitalized terms in this legend have the meanings defined in the Corporation's charter, as the same may be amended from time to time, a copy of which, including the restrictions on Transfer and ownership, will be furnished to each holder of Shares on request and without charge. Requests for such a copy may be directed to the Secretary of the Corporation at its principal office.

Instead of the foregoing legend, the certificate may state that the Corporation will furnish a full statement about certain restrictions on transferability to a Stockholder on request and without

charge. In the case of uncertificated Shares, the Corporation will send the holder of such Shares, on request and without charge, a written statement of the information otherwise required on certificates.

Section 6.2 Transfer of Shares in Trust.

Section 6.2.1 Ownership in Trust. Upon any purported Transfer or other event described in Section 6.1.1(b) that would result in a Transfer of Shares to a Charitable Trust, such Shares shall be deemed to have been Transferred to the Charitable Trustee as trustee of a Charitable Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such Transfer to the Charitable Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the Transfer to the Charitable Trust pursuant to Section 6.1.1(b). The Charitable Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 6.2.6.

Section 6.2.2 Status of Shares Held by the Charitable Trustee. Shares held by the Charitable Trustee shall continue to be issued and outstanding Shares. The Prohibited Owner shall have no rights in the Shares held by the Charitable Trustee. The Prohibited Owner shall not benefit economically from ownership of any Shares held in trust by the Charitable Trustee, shall have no rights to dividends or other Distributions and shall not possess any rights to vote or other rights attributable to the Shares held in the Charitable Trust.

Section 6.2.3 Distributions and Voting Rights. The Charitable Trustee shall have all voting rights and rights to dividends or other Distributions with respect to Shares held in the Charitable Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other Distribution paid prior to the discovery by the Corporation that Shares have been Transferred to the Charitable Trustee shall be paid by the recipient of such dividend or other Distribution to the Charitable Trustee upon demand and any dividend or other Distribution authorized but unpaid shall be paid when due to the Charitable Trustee. Any dividends or other Distributions so paid over to the Charitable Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to Shares held in the Charitable Trust and, subject to Maryland law, effective as of the date that Shares have been Transferred to the Charitable Trustee, the Charitable Trustee shall have the authority (at the Charitable Trustee's sole discretion) (a) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that Shares have been Transferred to the Charitable Trustee and (b) to recast such vote in accordance with the desires of the Charitable Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Corporation has already taken irreversible corporate action, then the Charitable Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article VI, until the Corporation has received notification that Shares have been Transferred into a Charitable Trust, the Corporation shall be entitled to rely on its share transfer and other Stockholder records for purposes of preparing lists of Stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes and determining the other rights of Stockholders.

Section 6.2.4 Sale of Shares by Charitable Trustee. Within 20 days of receiving notice from the Corporation that Shares have been Transferred to the Charitable Trust, the Charitable Trustee shall sell the Shares held in the Charitable Trust to a Person, designated by the Charitable Trustee, whose ownership of the Shares will not violate the ownership limitations set forth in Section 6.1.1(a). Upon such sale, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Charitable Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 6.2.4. The Prohibited Owner shall receive the lesser of (a) the price paid by the Prohibited Owner for the Shares or, if the Prohibited Owner did not give value for the Shares in connection with the event causing the Shares to be held in the Charitable Trust (*e.g.*, in the case of a gift, devise or other such transaction), the Market Price of the Shares on the day of the event causing the Shares to be held in the Charitable Trust and (b) the price per share received by the Charitable Trustee (net of any commissions and other expenses of sale) from the sale or other disposition of the Shares held in the Charitable Trust. The Charitable Trustee may reduce the amount payable to the Prohibited Owner by the amount of dividends and other Distributions which have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Charitable Trustee pursuant to Section 6.2.3 of this Article VI. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that Shares have been Transferred to the Charitable Trustee, such Shares are sold by a Prohibited Owner, then (i) such Shares shall be deemed to have been sold on behalf of the Charitable Trust and (ii) to the extent that the Prohibited Owner received an amount for such Shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 6.2.4, such excess shall be paid to the Charitable Trustee upon demand.

Section 6.2.5 Purchase Right in Shares Transferred to the Charitable Trustee. Shares Transferred to the Charitable Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per Share equal to the lesser of (a) the price per Share in the transaction that resulted in such Transfer to the Charitable Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (b) the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation shall have the right to accept such offer until the Charitable Trustee has sold the Shares held in the Charitable Trust pursuant to Section 6.2.4. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Charitable Trustee shall distribute the net proceeds of the sale to the Prohibited Owner. The Corporation may reduce the amount payable to the Prohibited Owner by the amount of dividends and other Distributions which have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Charitable Trustee pursuant to Section 6.2.3 of this Article VI. The Corporation may pay the amount of such reduction to the Charitable Trustee for the benefit of the Charitable Beneficiary.

Section 6.2.6 Designation of Charitable Beneficiaries. By written notice to the Charitable Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Charitable Trust such that (a) Shares held in the Charitable Trust would not violate the restrictions set forth in Section 6.1.1(a) in the hands of such Charitable Beneficiary and (b) each such organization must be described in Section 501(c)(3) of

the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code.

Section 6.3 Settlement. Nothing in this Article VI shall preclude the settlement of any transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Article VI and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VI.

Section 6.4 Enforcement. The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VI.

Section 6.5 Non-Waiver. No delay or failure on the part of the Corporation or the Board of Directors in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board of Directors, as the case may be, except to the extent specifically waived in writing.

ARTICLE VII
PROVISIONS FOR DEFINING, LIMITING
AND REGULATING CERTAIN POWERS OF THE
CORPORATION AND OF THE STOCKHOLDERS AND DIRECTORS

Section 7.1 Number of Directors. The business and affairs of the Corporation shall be managed under the direction of the Board of Directors. The number of Directors of the Corporation (the "Directors") shall be three (3), which number may be increased or decreased from time to time pursuant to the Bylaws; provided, however, that, upon Commencement of the Initial Public Offering, the total number of Directors shall not be fewer than three. Upon Commencement of the Initial Public Offering, a majority of the Board will be Independent Directors except for a period of up to 60 days after the death, removal or resignation of an Independent Director pending the election of such Independent Director's successor. The names of the Directors who shall serve until the first annual meeting of Stockholders and until their successors are duly elected and qualify are:

Allen R. Hartman

James A. Cardwell

John Ostroot

These Directors may increase the number of Directors and fill any vacancy, whether resulting from an increase in the number of Directors or otherwise, on the Board of Directors prior to the first annual meeting of Stockholders in the manner provided in the Bylaws.

The Corporation elects, at such time as it becomes eligible to make the election provided for under Section 3-804(c) of the MGCL, that, except as may be provided by the Board of Directors in setting the terms of any class or series of Preferred Shares, any and all vacancies on the Board of Directors may be filled only by the affirmative vote of a majority of the remaining Directors in

office, even if the remaining Directors do not constitute a quorum, and any Director elected to fill a vacancy shall serve for the remainder of the full term of the directorship in which such vacancy occurred and until a successor is elected and qualified. Notwithstanding the foregoing sentence, Independent Directors shall nominate replacements for vacancies among the Independent Directors' positions.

Section 7.2 Experience. Each Director shall have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets being acquired by the Corporation. At least one of the Independent Directors shall have three years of relevant real estate experience.

Section 7.3 Committees. The Board may establish such committees as it deems appropriate, in its discretion, provided that the majority of the members of each committee are Independent Directors.

Section 7.4 Term. Except as may otherwise be provided in the terms of any Preferred Shares issued by the Corporation with respect to the termination after less than one year of the term of office of any Director elected by the holders of such Preferred Shares, each Director shall hold office for one year, until the next annual meeting of Stockholders and until his or her successor is duly elected and qualifies. Directors may be elected to an unlimited number of successive terms.

Section 7.5 Fiduciary Obligations. The Directors serve in a fiduciary capacity to the Corporation and have a fiduciary duty to the Stockholders, including a specific fiduciary duty to supervise the relationship of the Corporation with the Advisor.

Section 7.6 Extraordinary Actions. Notwithstanding any provision of law permitting or requiring any action to be taken or approved by the affirmative vote of the holders of Shares entitled to cast a greater number of votes, any such action shall be effective and valid if declared advisable by the Board of Directors and taken or approved by the affirmative vote of holders of Shares entitled to cast a majority of all the votes entitled to be cast on the matter.

Section 7.7 Authorization by Board of Stock Issuance. The Board of Directors may authorize the issuance from time to time of Shares of any class or series, whether now or hereafter authorized, or securities or rights convertible into Shares of any class or series, whether now or hereafter authorized, for such consideration as the Board of Directors may deem advisable (including as compensation for the Independent Directors or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the Charter or the Bylaws. The issuance of Preferred Shares shall also be approved by a majority of Independent Directors not otherwise interested in the transaction, who shall have access at the Corporation's expense to the Corporation's legal counsel or to independent legal counsel.

Section 7.8 Preemptive Rights and Appraisal Rights. Except as may be provided by the Board of Directors in setting the terms of classified or reclassified Shares pursuant to Section 5.4 or as may otherwise be provided by contract approved by the Board of Directors, no holder of Shares shall, as such holder, have any preemptive right to purchase or subscribe for any additional Shares or any other Security which the Corporation may issue or sell. Holders of Shares shall not be entitled to exercise any rights of an objecting stockholder provided for under Title 3, Subtitle 2 of

the MGCL or any successor statute unless the Board of Directors, upon the affirmative vote of a majority of the Board of Directors and upon such terms and conditions as the Board of Directors may specify, shall determine that such rights apply, with respect to all or any classes or series of Shares, to one or more transactions occurring after the date of such determination in connection with which holders of such Shares would otherwise be entitled to exercise such rights.

Section 7.9 Determinations by Board. The determination as to any of the following matters, made by or pursuant to the direction of the Board of Directors consistent with the Charter, shall be final and conclusive and shall be binding upon the Corporation and every holder of Shares: the amount of the Net Income for any period and the amount of assets at any time legally available for the payment of dividends, redemption of Shares or the payment of other Distributions on Shares; the amount of paid-in surplus, Net Assets, other surplus, annual or other cash flow, funds from operations, net profit, Net Assets in excess of capital, undivided profits or excess of profits over losses on Sales of Assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); any interpretation or resolution of any ambiguity with respect to any provision of the Charter (including any of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or other Distributions, qualifications or terms or conditions of redemption of any class or series of Shares) or of the Bylaws; the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any Asset owned or held by the Corporation or any Shares; the number of Shares of any class of the Corporation; any matter relating to the acquisition, holding and disposition of any Assets by the Corporation; the application of any provision of the Charter in the case of any ambiguity, including, without limitation: (i) any provision of the definitions of any of the following: Affiliate, Independent Director and Sponsor, (ii) which amounts paid to the Advisor or its Affiliates are property-level expenses connected with the ownership of real estate interests, loans or other property, (iii) which expenses are excluded from the definition of Total Operating Expenses and (iv) whether expenses qualify as Organization and Offering Expenses; any conflict between the MGCL and the provisions set forth in the NASAA REIT Guidelines; or any other matter relating to the business and affairs of the Corporation or required or permitted by applicable law, the Charter or Bylaws or otherwise to be determined by the Board of Directors; provided, however, that any determination by the Board of Directors as to any of the preceding matters shall not render invalid or improper any action taken or omitted prior to such determination and no Director shall be liable for making or failing to make such a determination; and provided, further, that to the extent the Board determines that the MGCL conflicts with the provisions set forth in the NASAA REIT Guidelines, the NASAA REIT Guidelines control to the extent any provisions of the MGCL are not mandatory.

Section 7.10 REIT Qualification. If the Corporation elects to qualify for federal income tax treatment as a REIT, the Board of Directors shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the status of the Corporation as a REIT; however, if the Board of Directors determines that it is no longer in the best interests of the Corporation to attempt to, or continue to, qualify as a REIT, the Board of Directors may revoke or otherwise terminate

the Corporation's REIT election pursuant to Section 856(g) of the Code. The Board of Directors also may determine that compliance with any restriction or limitation on stock ownership and Transfers set forth in Article VI is no longer required for REIT qualification.

Section 7.11 Removal of Directors. Subject to the rights of holders of one or more classes or series of Preferred Shares to elect or remove one or more Directors, any Director, or the entire Board of Directors, may be removed from office at any time, but only by the affirmative vote of at least a majority of the votes entitled to be cast generally in the election of Directors.

Section 7.12 Board Action with Respect to Certain Matters. A majority of the Independent Directors must approve any Board action to which the following sections of the NASAA REIT Guidelines apply: II.A., II.C., II.F., II.G., IV.A., IV.B., IV.C., IV.D., IV.E., IV.F., IV.G., V.E., V.H., V.J., VI.A., VI.B.4, and VI.G.

ARTICLE VIII

ADVISOR

Section 8.1 Appointment and Initial Investment of Advisor. The Board is responsible for setting the general policies of the Corporation and for the general supervision of its business conducted by officers, agents, employees, advisors or independent contractors of the Corporation. The Board shall establish written policies on investments and borrowing and shall monitor the administrative procedures, investment operations and performance of the Corporation and the Advisor to assure that such policies are carried out. However, the Board is not required personally to conduct the business of the Corporation, and it may (but need not) appoint, employ or contract with any Person (including a Person Affiliated with any Director) as an Advisor and may grant or delegate such authority to the Advisor as the Board may, in its sole discretion, deem necessary or desirable. The term of retention of any Advisor shall not exceed one year, although there is no limit to the number of times that a particular Advisor may be retained. The Advisor or its Affiliates have made an Initial Investment of \$200,005 in the Corporation. The Advisor or any such Affiliate may not sell the Initial Investment while the Advisor or its Affiliate remains a Sponsor but may transfer the Initial Investment to other Affiliates.

Section 8.2 Supervision of Advisor. The Board shall review and evaluate the qualifications of the Advisor before entering into, and shall evaluate the performance of the Advisor before renewing, an Advisory Agreement, and the criteria used in such evaluation shall be reflected in the minutes of the meetings of the Board. The Board may exercise broad discretion in allowing the Advisor to administer and regulate the operations of the Corporation, to act as agent for the Corporation, to execute documents on behalf of the Corporation and to make executive decisions that conform to general policies and principles established by the Board. The Board shall monitor the Advisor to assure that the administrative procedures, operations and programs of the Corporation are in the best interests of the Stockholders and are fulfilled. The Independent Directors are responsible for reviewing the total fees and expenses of the Corporation at least annually or with sufficient frequency to determine that the expenses incurred are reasonable in light of the investment performance of the Corporation, its Net Assets, its Net Income and the fees and expenses of other comparable unaffiliated REITs. Each such determination shall be reflected

in the minutes of the meetings of the Board. The Independent Directors also will be responsible for reviewing, from time to time and at least annually, the performance of the Advisor and determining that compensation to be paid to the Advisor is reasonable in relation to the nature and quality of services performed and that such compensation is within the limits prescribed by the Charter. The Independent Directors shall also supervise the performance of the Advisor and the compensation paid to the Advisor by the Corporation in order to determine that the provisions of the Advisory Agreement are being carried out. Specifically, the Independent Directors will consider factors such as (a) the amount of the fees paid to the Advisor in relation to the size, composition and performance of the Assets, (b) the success of the Advisor in generating opportunities that meet the investment objectives of the Corporation, (c) rates charged to other REITs and to investors other than REITs by advisors performing the same or similar services, (d) additional revenues realized by the Advisor and its Affiliates through their relationship with the Corporation, including loan administration, underwriting or broker commissions, servicing, engineering, inspection and other fees, whether paid by the Corporation or by others with whom the Corporation does business, (e) the quality and extent of service and advice furnished by the Advisor and its Affiliates, (f) the performance of the Assets, including income, conservation or appreciation of capital, frequency of problem investments and competence in dealing with distress situations, and (g) the quality of the Assets relative to the investments generated by the Advisor for its own account. The Independent Directors may also consider all other factors that they deem relevant, and the findings of the Independent Directors on each of the factors considered shall be recorded in the minutes of the Board. The Board shall determine whether any successor Advisor possesses sufficient qualifications to perform the advisory function for the Corporation and whether the compensation provided for in its contract with the Corporation is justified.

Section 8.3 Fiduciary Obligations. The Advisor shall have a fiduciary responsibility and duty to the Corporation and to the Stockholders.

Section 8.4 Affiliation and Functions. The Board, by resolution or in the Bylaws, may provide guidelines, provisions or requirements concerning the affiliation and functions of the Advisor.

Section 8.5 Termination. A majority of the Independent Directors may terminate the Advisory Agreement on 60 days' written notice without cause or penalty, and, in such event, the Advisor will cooperate with the Corporation and the Operating Partnership in making an orderly transition of the advisory function.

Section 8.6 Disposition Fee on Sale of Property. The Corporation may pay the Advisor a disposition fee upon the Sale of one or more Properties, in an amount equal to the lesser of (a) one-half of the Competitive Real Estate Commission or (b) three percent of the sales price of such Property or Properties. Payment of such fee may be made only if the Advisor provides a substantial amount of services in connection with the Sale of a Property or Properties, as determined by a majority of the Independent Directors. In addition, the amount paid when added to all other real estate commissions paid to unaffiliated parties in connection with such Sale shall not exceed the lesser of the Competitive Real Estate Commission or an amount equal to six percent of the sales price of such Property or Properties.

Section 8.7 Organization and Offering Expenses Limitation. The Corporation shall reimburse the Advisor and its Affiliates for Organization and Offering Expenses incurred by the Advisor or its Affiliates; provided, however, that the total amount of all Organization and Offering Expenses shall be reasonable and shall in no event exceed 15% of the Gross Proceeds of each Offering.

Section 8.8 Acquisition Fees and Expenses. The Corporation may pay the Advisor and its Affiliates fees for the review and evaluation of potential investments in Assets; provided, however, that the total of all Acquisition Fees and Acquisition Expenses shall be reasonable, and shall not exceed an amount equal to six percent of the Contract Purchase Price or, in the case of a Mortgage, six percent of the funds advanced; and provided, further, that a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in the transaction may approve fees and expenses in excess of this limit if they determine the transaction to be commercially competitive, fair and reasonable to the Corporation.

Section 8.9 Incentive Fees. The Corporation may pay the Advisor an interest in the gain from the Sale of Assets, for which full consideration is not paid in cash or property of equivalent value, provided the amount or percentage of such interest is reasonable (an "Incentive Fee"). As required by the NASAA REIT Guidelines, the Corporation may pay the Advisor an Incentive Fee only if such payment does not exceed 15% of the balance of such net proceeds remaining after payment to holders of Common Shares, in the aggregate, of an amount equal to 100% of the Invested Capital, plus an amount equal to six percent of the Invested Capital per annum cumulative. In the case of multiple Advisors, such Advisor and any of their Affiliates shall be allowed such fees provided such fees are distributed by a proportional method reasonably designed to reflect the value added to the Corporation's assets by each respective Advisor or any Affiliate.

Section 8.10 Reimbursement for Total Operating Expenses. The Corporation may reimburse the Advisor, at the end of each fiscal quarter, commencing four fiscal quarters after the Corporation's acquisition of its first asset, for Total Operating Expenses incurred by the Advisor; provided, however that the Corporation shall not reimburse the Advisor at the end of any fiscal quarter for Total Operating Expenses that, in the four consecutive fiscal quarters then ended, exceed the greater of two percent of Average Invested Assets or 25% of Net Income (the "2%/25% Guidelines") for such year. The Independent Directors shall have the fiduciary responsibility of limiting Total Operating Expenses to amounts that do not exceed the 2%/25% Guidelines unless they have made a finding that, based on such unusual and non-recurring factors that they deem sufficient, a higher level of expenses (an "Excess Amount") is justified. Within 60 days after the end of any fiscal quarter of the Corporation for which there is an Excess Amount which the Independent Directors conclude was justified and reimbursable to the Advisor, there shall be sent to the holders of Common Shares (or shall be disclosed to the holders of Common Shares in the next quarterly report of the Corporation or by filing a Current Report on Form 8-K with the SEC within 60 days of such quarter end), a written disclosure of such fact, together with an explanation of the factors the Independent Directors considered in determining that such Excess Amount was justified. Any such finding and the reasons in support thereof shall be reflected in the minutes of the meetings of the Board. In the event that the Independent Directors do not determine that excess expenses are justified, the Advisor shall reimburse the Corporation at the end of the twelve month

period during which the excess expenses were incurred for the amount by which the expenses exceeded the 2%/25% Guidelines.

ARTICLE IX

INVESTMENT POLICIES AND LIMITATIONS

Section 9.1 Review of Investment Policies. The Independent Directors shall review the investment policies of the Corporation with sufficient frequency (and, upon Commencement of the Initial Public Offering, not less often than annually) to determine that the policies being followed by the Corporation are in the best interests of its Stockholders. Each such determination and the basis therefor shall be set forth in the minutes of the meetings of the Board.

Section 9.2 Certain Permitted Investments.

(a) The Corporation may invest in Assets.

(b) The Corporation may invest in Joint Ventures with the Sponsor, the Advisor, one or more Directors or any Affiliate, only if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction approve such investment as being fair and reasonable to the Corporation and on substantially the same terms and conditions as those received by the other joint venturers who are similarly situated to the Corporation.

(c) Subject to any limitations in Section 9.3, the Corporation may invest in equity securities, provided that if such equity securities are not listed on a national securities exchange or traded in an over-the-counter market, such investment shall be permitted only if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction approve such investment as being fair, competitive and commercially reasonable. This provision is not intended to limit (i) acquisitions effected through the purchase of all of the equity securities of an existing entity, (ii) the investment in wholly owned subsidiaries of the Corporation or (iii) investments in asset-backed securities.

Section 9.3 Investment Limitations. In addition to other investment restrictions imposed by the Board from time to time, consistent with the Corporation's objective of qualifying as a REIT, the following shall apply to the Corporation's investments:

(a) Not more than ten percent of the Corporation's total assets shall be invested in Unimproved Real Property or mortgage loans on Unimproved Real Property.

(b) The Corporation shall not invest in commodities or commodity future contracts. This limitation is not intended to apply to futures contracts when used solely for hedging purposes in connection with the Corporation's ordinary business of investing in real estate assets.

(c) The Corporation shall not invest in or make any Mortgage unless an appraisal is obtained concerning the underlying property except for those loans insured or guaranteed by a government or government agency. In cases in which a majority of Independent Directors so determine, and in all cases in which the transaction is with the Advisor, the Sponsor, any Director or any Affiliate thereof, such appraisal of the underlying property must be obtained from an

Independent Appraiser. Such appraisal shall be maintained in the Corporation's records for at least five years and shall be available for inspection and duplication by any holder of Common Shares for a reasonable charge. In addition to the appraisal, a mortgagee's or owner's title insurance policy or commitment as to the priority of the Mortgage or condition of the title must be obtained.

(d) The Corporation shall not make or invest in any Mortgage, including a construction loan, on any one property if the aggregate amount of all mortgage loans outstanding on the property, including the loans of the Corporation, would exceed an amount equal to 85% of the appraised value of the property as determined by appraisal unless substantial justification exists because of the presence of other underwriting criteria. For purposes of this subsection, the "aggregate amount of all mortgage loans outstanding on the property, including the loans of the Corporation" shall include all interest (excluding contingent participation in income and/or appreciation in value of the mortgaged property), the current payment of which may be deferred pursuant to the terms of such loans, to the extent that deferred interest on each loan exceeds five percent per annum of the principal balance of the loan.

(e) The Corporation shall not invest in indebtedness secured by a Mortgage on Real Property which is subordinate to the lien or other indebtedness of the Advisor, any Director, the Sponsor or any Affiliate of the Corporation.

(f) The Corporation shall not issue (i) equity Securities redeemable solely at the option of the holder (except that Stockholders may offer their Common Shares to the Corporation pursuant to any repurchase plan adopted by the Board on terms outlined in the Prospectus relating to any Offering, as such plan is thereafter amended in accordance with its terms); (ii) debt Securities unless the historical debt service coverage (in the most recently completed fiscal year) as adjusted for known changes is sufficient to properly service that higher level of debt, as determined by the Board of Directors or a duly authorized officer of the Corporation; (iii) equity Securities on a deferred payment basis or under similar arrangements; (iv) issue equity securities that are assessable after receipt by the Corporation of the consideration for which the Board of Directors authorized their issuance; or (v) until its shares are listed on a national securities exchange, options or warrants to the Advisor, the Directors, the Sponsor or any Affiliate thereof except on the same terms as such options or warrants, if any, are sold to the general public. Options or warrants may be issued to Persons other than the Advisor, the Directors, the Sponsor or any Affiliate thereof, but not at exercise prices less than the fair market value of the underlying Securities on the date of grant and not for consideration (which may include services) that in the judgment of the Independent Directors has a market value less than the value of such option or warrant on the date of grant. Options or warrants issuable to the Advisor, the Directors, the Sponsor or any Affiliate thereof shall not exceed ten percent of the outstanding Shares on the date of grant. The voting rights per Share (other than any publicly held Share) sold in a private offering shall not exceed the voting rights which bear the same relationship to the voting rights of a publicly held Share as the consideration paid to the Corporation for each privately offered Share bears to the book value of each outstanding publicly held Share.

(g) A majority of the Directors or of the members of a duly authorized committee of the Board of Directors shall authorize the consideration to be paid for Real Property, ordinarily based

on the fair market value of the Real Property. If a majority of the Independent Directors on the Board of Directors or such duly authorized committee determine, or if the Real Property is acquired from the Advisor, a Director, the Sponsor or their Affiliates, such fair market value shall be determined by a qualified Independent Appraiser selected by such Independent Directors.

(h) The aggregate Leverage shall be reasonable in relation to the Net Assets and shall be reviewed by the Board at least quarterly. The maximum amount of such Leverage in relation to Net Assets shall not exceed 300%. Notwithstanding the foregoing, Leverage may exceed such limit if any excess in borrowing over such level is approved by a majority of the Independent Directors. Any such excess borrowing shall be disclosed to Stockholders in the next quarterly report of the Corporation following such borrowing, along with justification for such excess.

(i) The Corporation will continually review its investment activity to attempt to ensure that it is not classified as an "investment company" under the Investment Company Act of 1940, as amended.

(j) The Corporation will not make any investment that the Corporation believes will be inconsistent with its objectives of qualifying and remaining qualified as a REIT unless and until the Board determines, in its sole discretion, that REIT qualification is not in the best interests of the Corporation.

(k) The Corporation shall not invest in real estate contracts of sale unless such contracts of sale are in recordable form and appropriately recorded in the chain of title.

(l) The Corporation shall not engage in securities trading, or engage in the business of underwriting or the agency distribution of securities issued by other Persons.

(m) The Corporation shall not acquire interests or securities in any entity holding investments or engaging in activities prohibited by this Article IX except for investments in which the Corporation holds a non-controlling interest or investments in publicly-traded entities. For these purposes, a "publicly-traded entity" shall mean any entity having securities listed on a national securities exchange or traded in an over-the-counter market.

(n) The Corporation may voluntarily repurchase Common Shares provided that after giving effect to such repurchase (i) the Corporation would be able to pay the indebtedness of the Corporation as the indebtedness becomes due in the usual course of business, and (ii) the Corporation's total assets would be more than the Corporation's total liabilities. The Corporation may not pay a fee to the Advisor, a Sponsor, a Director or an Affiliate thereof in connection with the Corporation's repurchase of Common Shares.

ARTICLE X

CONFLICTS OF INTEREST

Section 10.1 Sales and Leases to the Corporation. The Corporation may purchase or lease an Asset or Assets from the Sponsor, the Advisor, a Director or any Affiliate thereof upon a finding by a majority of Directors (including a majority of Independent Directors) not otherwise interested

in the transaction that such transaction is fair and reasonable to the Corporation and at a price to the Corporation no greater than the cost of the Asset to such Sponsor, Advisor, Director or Affiliate or, if the price to the Corporation is in excess of such cost, that substantial justification for such excess exists and such excess is reasonable. In no event shall the purchase price paid by the Corporation for any such Asset exceed the Asset's current appraised value.

Section 10.2 Sales and Leases to the Sponsor, Advisor, Directors or Affiliates. The Advisor, the Sponsor, a Director or any Affiliate thereof may purchase or lease Assets from the Corporation if a majority of Directors (including a majority of Independent Directors) not otherwise interested in the transaction determine that the transaction is fair and reasonable to the Corporation.

Section 10.3 Other Transactions.

(a) The Corporation shall not make loans to the Sponsor, the Advisor, a Director or any Affiliate thereof except Mortgages pursuant to Section 9.3(c) hereof or loans to wholly owned subsidiaries of the Corporation. The Corporation may not borrow money from the Sponsor, the Advisor, a Director or any Affiliate thereof, unless approved by a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in such transaction as fair, competitive, and commercially reasonable, and no less favorable to the Corporation than comparable loans between unaffiliated parties under the same circumstances.

(b) The Corporation shall not engage in any other transaction with the Sponsor, the Advisor, a Director or any Affiliate thereof unless a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in such transaction approve such transaction as fair and reasonable to the Corporation and on terms and conditions no less favorable to the Corporation than those available from unaffiliated third parties.

ARTICLE XI STOCKHOLDERS

Section 11.1 Meetings. There shall be an annual meeting of the Stockholders, to be held on such date and at such time and place as shall be determined by or in the manner prescribed in the Bylaws, at which the Directors shall be elected and any other proper business may be conducted; provided that such annual meeting will be held upon reasonable notice and within a reasonable period (not less than 30 days) following delivery of the annual report. The Directors, including the Independent Directors, shall be required to take reasonable steps to insure that this requirement is met. The holders of a majority of Shares entitled to vote who are present in person or by proxy at an annual meeting at which a quorum is present, may, without the necessity for concurrence by the Board, vote to elect the Directors. A quorum shall be the presence in person or by proxy of Stockholders entitled to cast at least 50% of all the votes entitled to be cast at such meeting on any matter. Special meetings of Stockholders may be called in the manner provided in the Bylaws, including by the chief executive officer, the president or the chairman of the board or by a majority of the Directors or a majority of the Independent Directors, and shall be called by the secretary of the Corporation to act on any matter that may properly be considered at a meeting of Stockholders upon the written request of Stockholders entitled to cast not less than ten percent of all the votes

entitled to be cast on such matter at such meeting. Notice of any special meeting of Stockholders shall be given as provided in the Bylaws. If the meeting is called by the secretary upon the written request of Stockholders as described in this Section 11.1, notice of the special meeting shall be sent to all Stockholders within ten days of the receipt of the written request and the special meeting shall be held at the time and place specified in the Stockholder request not less than 15 days nor more than 60 days after the delivery of the notice; provided, however, that if no time or place is so specified in the Stockholder request, at such time and place convenient to the Stockholders. If there are no Directors, the officers of the Corporation shall promptly call a special meeting of the Stockholders entitled to vote for the election of successor Directors. Any meeting may be adjourned and reconvened as the Board may determine or as otherwise provided in the Bylaws.

Section 11.2 Voting Rights of Stockholders. Subject to the provisions of any class or series of Shares then outstanding and the mandatory provisions of any applicable laws or regulations, the Stockholders shall be entitled to vote only on the following matters: (a) election or removal of Directors, without the necessity for concurrence by the Board, as provided in Sections 11.1, 7.4 and 7.11 hereof; (b) amendment of the Charter as provided in Article XIII hereof; (c) dissolution of the Corporation; (d) merger or consolidation of the Corporation, or the sale or other disposition of all or substantially all of the Corporation's assets other than in the ordinary course of business; and (e) such other matters with respect to which the Board of Directors has adopted a resolution declaring that a proposed action is advisable and directing that the matter be submitted to the Stockholders for approval or ratification. Except with respect to the foregoing matters, no action taken by the Stockholders at any meeting shall in any way bind the Board. Without the approval of a majority of the Shares entitled to vote on the matter, the Board may not (i) amend the Charter to materially and adversely affect the rights, preferences and privileges of the Stockholders; (ii) amend provisions of the Charter relating to Director qualifications, fiduciary duties, liability and indemnification, conflicts of interest, investment policies or investment restrictions; (iii) liquidate or dissolve the Corporation other than before the initial investment in Property; (iv) sell all or substantially all of the Corporation's assets other than in the ordinary course of business or as otherwise permitted by law; or (v) cause the merger or similar reorganization of the Corporation except as permitted by law.

Section 11.3 Voting Limitations on Shares Held by the Advisor, Directors and Affiliates. With respect to Shares owned by the Advisor, any Director or any of their Affiliates, neither the Advisor, nor such Director, nor any of their Affiliates may vote or consent on matters submitted to the Stockholders regarding the removal of the Advisor, such Director or any of their Affiliates or any transaction between the Corporation and any of them. In determining the requisite percentage in interest of Shares necessary to approve a matter on which the Advisor, such Director and any of their Affiliates may not vote or consent, any Shares owned by any of them shall not be included.

Section 11.4 Right of Inspection. Any Stockholder and any designated representative thereof shall be permitted access to the records of the Corporation to which it is entitled under applicable law at all reasonable times, and may inspect and copy any of them for a reasonable charge. Inspection of the Corporation's books and records by the office or agency administering the

securities laws of a jurisdiction shall be provided upon reasonable notice and during normal business hours.

Section 11.5 Access to Stockholder List. An alphabetical list of the names, addresses and telephone numbers of the Stockholders, along with the number of Shares held by each of them (the "Stockholder List"), shall be maintained as part of the books and records of the Corporation and shall be available for inspection by any Stockholder or the Stockholder's designated agent at the home office of the Corporation upon the request of the Stockholder. The Stockholder List shall be updated at least quarterly to reflect changes in the information contained therein. A copy of the Stockholder List shall be mailed to any Stockholder so requesting within ten days of receipt by the Corporation of the request. The copy of the Stockholder List shall be printed in alphabetical order, on white paper, and in a readily readable type size (in no event smaller than ten-point type). The Corporation may impose a reasonable charge for expenses incurred in reproduction pursuant to the Stockholder request. A Stockholder may request a copy of the Stockholder List for reasons including, but not limited to matters relating to Stockholders' voting rights and the exercise of Stockholder rights under federal proxy laws.

If the Advisor or the Board neglects or refuses to exhibit, produce or mail a copy of the Stockholder List as requested, the Advisor and/or the Board, as the case may be, shall be liable to any Stockholder requesting the Stockholder List for the costs, including reasonable attorneys' fees, incurred by that Stockholder for compelling the production of the Stockholder List, and for actual damages suffered by any Stockholder by reason of such refusal or neglect. It shall be a defense that the actual purpose and reason for the requests for inspection or for a copy of the Stockholder List is to secure the Stockholder List or other information for the purpose of selling the Stockholder List or copies thereof, or of using the same for a commercial purpose other than in the interest of the applicant as a Stockholder relative to the affairs of the Corporation. The Corporation may require the Stockholder requesting the Stockholder List to represent that the Stockholder List is not requested for a commercial purpose unrelated to the Stockholder's interest in the Corporation. The remedies provided hereunder to Stockholders requesting copies of the Stockholder List are in addition to, and shall not in any way limit, other remedies available to Stockholders under federal law or the laws of any state.

Section 11.6 Reports. For each fiscal year after the Commencement of the Initial Public Offering, the Directors, including the Independent Directors, shall take reasonable steps to insure that the Corporation shall cause to be prepared and mailed or delivered to each Stockholder as of a record date after the end of the fiscal year, within 120 days after the end of the fiscal year to which it relates, an annual report that shall include: (a) financial statements prepared in accordance with generally accepted accounting principles which are audited and reported on by independent certified public accountants; (b) the ratio of the costs of raising capital during the period to the capital raised; (c) the aggregate amount of advisory fees and the aggregate amount of other fees paid to the Advisor and any Affiliate of the Advisor by the Corporation and including fees or charges paid to the Advisor and any Affiliate of the Advisor by third parties doing business with the Corporation; (d) the Total Operating Expenses of the Corporation, stated as a percentage of Average Invested Assets and as a percentage of its Net Income; (e) a report from the Independent Directors that the policies being followed by the Corporation are in the best interests of its

Stockholders and the basis for such determination; and (f) separately stated, full disclosure of all material terms, factors and circumstances surrounding any and all transactions involving the Corporation, the Directors, the Advisors, the Sponsors and any Affiliate thereof occurring in the year for which the annual report is made, and the Independent Directors shall be specifically charged with a duty to examine and comment in the report on the fairness of such transactions. Alternatively, such information may be provided in a proxy statement delivered with the annual report. The Board of Directors, including the Independent Directors, shall take reasonable steps to ensure that the requirements of this Section 11.6 are met. The annual report may be delivered by any reasonable means, including through an electronic medium. Electronic delivery of the annual report or proxy statement shall comply with any then-applicable rules of the SEC.

Section 11.7 Tender Offers. If any Person makes a tender offer, including, without limitation, a “mini-tender” offer, such Person must comply with all of the provisions set forth in Regulation 14D of the Exchange Act, including, without limitation, disclosure and notice requirements, that would be applicable if the tender offer was for more than five percent of the outstanding Shares; provided, however, that, unless otherwise required by the Exchange Act, such documents are not required to be filed with the SEC. In addition, any such Person must provide notice to the Corporation at least ten business days prior to initiating any such tender offer. No Stockholder may Transfer any Shares held by such Stockholder to any Person who initiates a tender offer without complying with the provisions set forth above (a “Non-Compliant Tender Offer”) unless such Stockholder shall have first offered such Shares to the Corporation at the lesser of (i) with respect to Common Shares, the price then being paid per Common Share purchased in the Corporation’s latest offering of Common Shares at full purchase price (not discounted for commission reductions nor for reductions in sale price permitted pursuant to the Reinvestment Plan), (ii) the fair market value of the Common Shares as determined by an independent valuation obtained by the Corporation or (iii) the lowest tender offer price offered in such Non-Compliant Tender Offer. In addition, any Person who makes a Non-Compliant Tender Offer shall be responsible for all expenses incurred by the Corporation in connection with the enforcement of the provisions of this Section 11.7, including, without limitation, expenses incurred in connection with the review of all documents related to such tender offer. In addition to the remedies provided herein, the Corporation may seek injunctive relief, including, without limitation, a temporary or permanent restraining order, in connection with any Non-Compliant Tender Offer. This Section 11.7 shall be of no force or effect with respect to any Shares that are then Listed.

ARTICLE XII

LIABILITY LIMITATION AND INDEMNIFICATION

Section 12.1 Limitation of Stockholder Liability. No Stockholder shall be liable for any debt, claim, demand, judgment or obligation of any kind of, against or with respect to the Corporation by reason of his being a Stockholder, nor shall any Stockholder be subject to any personal liability whatsoever, in tort, contract or otherwise, to any Person in connection with the Assets or the affairs of the Corporation by reason of his being a Stockholder.

Section 12.2 Limitation of Director and Officer Liability.

(a) Subject to any limitations set forth under Maryland law or in paragraph (b), no Director or officer of the Corporation shall be liable to the Corporation or its Stockholders for money damages. Neither the amendment nor repeal of this Section 12.2(a), nor the adoption or amendment of any other provision of the Charter or Bylaws inconsistent with this Section 12.2(a), shall apply to or affect in any respect the applicability of the preceding sentence with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above, the Corporation shall not provide that a Director, the Advisor or any Affiliate of the Advisor (the "Indemnitee") be held harmless for any loss or liability suffered by the Corporation, unless all of the following conditions are met:

(i) The Indemnitee has determined, in good faith, that the course of conduct that caused the loss or liability was in the best interests of the Corporation.

(ii) The Indemnitee was acting on behalf of or performing services for the Corporation.

(iii) Such liability or loss was not the result of (A) negligence or misconduct, in the case that the Indemnitee is a Director (other than an Independent Director), the Advisor or an Affiliate of the Advisor or (B) gross negligence or willful misconduct, in the case that the Indemnitee is an Independent Director.

(iv) Such agreement to hold harmless is recoverable only out of Net Assets and not from the Stockholders.

Section 12.3 Indemnification.

(a) Subject to any limitations set forth under Maryland law or in paragraph (b) or (c) below, the Corporation shall indemnify and, without requiring a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (i) any individual who is a present or former Director or officer of the Corporation and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity, (ii) any individual who, while a Director or officer of the Corporation and at the request of the Corporation, serves or has served as a director, officer, partner, member, manager or trustee of another corporation, real estate investment trust, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity or (iii) the Advisor of any of its Affiliates acting as an agent of the Corporation. The rights to indemnification and advance of expenses provided to a Director or officer hereby shall vest immediately upon election of such Director or officer. The Corporation may, with the approval of the Board of Directors or any duly authorized committee thereof, provide such indemnification and advance for expenses to a Person who served a predecessor of the Corporation in any of the capacities described in (i) or (ii) above and to any employee or agent of the Corporation or a predecessor of the Corporation or any employee of the Advisor or any of the

Advisor's Affiliates acting as an agent of the Corporation. The Board may take such action as is necessary to carry out this Section 12.3(a). No amendment of the Charter or repeal of any of its provisions shall limit or eliminate the right of indemnification provided hereunder with respect to acts or omissions occurring prior to such amendment or repeal.

(b) Notwithstanding anything to the contrary contained in paragraph (a) above, the Corporation shall not provide for indemnification of an Indemnitee for any liability or loss suffered by such Indemnitee, unless all of the following conditions are met:

(i) The Indemnitee has determined, in good faith, that the course of conduct that caused the loss or liability was in the best interests of the Corporation.

(ii) The Indemnitee was acting on behalf of or performing services for the Corporation.

(iii) Such liability or loss was not the result of (A) negligence or misconduct, in the case that the Indemnitee is a Director (other than an Independent Director), the Advisor or an Affiliate of the Advisor or (B) gross negligence or willful misconduct, in the case that the Indemnitee is an Independent Director.

(iv) Such indemnification or agreement to hold harmless is recoverable only out of Net Assets and not from the Stockholders.

(c) Notwithstanding anything to the contrary contained in paragraph (a) above, the Corporation shall not provide indemnification to an Indemnitee for any loss, liability or expense arising from or out of an alleged violation of federal or state securities laws by such party unless one or more of the following conditions are met: (i) there has been a successful adjudication on the merits of each count involving alleged material securities law violations as to the Indemnitee; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the Indemnitee; or (iii) a court of competent jurisdiction approves a settlement of the claims against the Indemnitee and finds that indemnification of the settlement and the related costs should be made, and the court considering the request for indemnification has been advised of the position of the SEC and of the published position of any state securities regulatory authority in which Securities were offered or sold as to indemnification for violations of securities laws.

Section 12.4 Payment of Expenses. The Corporation may pay or reimburse reasonable legal expenses and other costs incurred by an Indemnitee in advance of final disposition of a proceeding only if all of the following are satisfied: (a) the proceeding relates to acts or omissions with respect to the performance of duties or services on behalf of the Corporation, (b) the Indemnitee provides the Corporation with written affirmation of the Indemnitee's good faith belief that the Indemnitee has met the standard of conduct necessary for indemnification by the Corporation as authorized by Section 12.3 hereof, (c) the legal proceeding was initiated by a third party who is not a Stockholder or, if by a Stockholder of the Corporation acting in his or her capacity as such, a court of competent jurisdiction approves such advancement, and (d) the Indemnitee provides the Corporation with a written agreement to repay the amount paid or reimbursed by the Corporation, together with the applicable legal rate of interest thereon, if it is ultimately determined that the Indemnitee did not comply with the requisite standard of conduct and is not entitled to indemnification.

Section 12.5 Express Exculpatory Clauses in Instruments. Neither the Stockholders nor the Directors, officers, employees or agents of the Corporation shall be liable under any written instrument creating an obligation of the Corporation by reason of their being Stockholders, Directors, officers, employees or agents of the Corporation, and all Persons shall look solely to the Corporation's assets for the payment of any claim under or for the performance of that instrument. The omission of the foregoing exculpatory language from any instrument shall not affect the validity or enforceability of such instrument and shall not render any Stockholder, Director, officer, employee or agent liable thereunder to any third party, nor shall the Directors or any officer, employee or agent of the Corporation be liable to anyone as a result of such omission.

ARTICLE XIII

AMENDMENTS

The Corporation reserves the right from time to time to make any amendment to the Charter, now or hereafter authorized by law, including any amendment altering the terms or contract rights, as expressly set forth in the Charter, of any Shares. All rights and powers conferred by the Charter on Stockholders, Directors and officers are granted subject to this reservation. Except for those amendments permitted to be made without Stockholder approval under Maryland law or by specific provision in the Charter, any amendment to the Charter shall be valid only if approved by the affirmative vote of a majority of all votes entitled to be cast on the matter, including without limitation, (a) any amendment which would adversely affect the rights, preferences and privileges of the Stockholders and (b) any amendment to Sections 7.2, 7.5 and 7.11 of Article VII, Article IX, Article X, Article XII, Article XIV and Article XV hereof and this Article XIII (or any other amendment of the Charter that would have the effect of amending such sections).

ARTICLE XIV

ROLL-UP TRANSACTIONS

In connection with any proposed Roll-Up Transaction, an appraisal of all of the Corporation's assets shall be obtained from a competent Independent Appraiser. If the appraisal will be included in a prospectus used to offer the securities of a Roll-Up Entity, the appraisal shall be filed with the SEC and, if applicable, the states in which registration of such securities is sought, as an exhibit to the registration statement for the offering. The Corporation's assets shall be appraised on a consistent basis, and the appraisal shall be based on the evaluation of all relevant information and shall indicate the value of the assets as of a date immediately prior to the announcement of the proposed Roll-Up Transaction. The appraisal shall assume an orderly liquidation of the assets over a twelve-month period. The terms of the engagement of the Independent Appraiser shall clearly state that the engagement is for the benefit of the Corporation and the Stockholders. A summary of the appraisal, indicating all material assumptions underlying the appraisal, shall be included in a report to Stockholders in connection with a proposed Roll-Up Transaction. In connection with a proposed Roll-Up Transaction, the Person sponsoring the Roll-Up Transaction shall offer to holders of Common Shares who vote against the proposed Roll-Up Transaction the choice of:

(a) accepting the securities of a Roll-Up Entity offered in the proposed Roll-Up Transaction; or

(b) one of the following:

(i) remaining as Stockholders and preserving their interests therein on the same terms and conditions as existed previously; or

(ii) receiving cash in an amount equal to the Stockholder's pro rata share of the appraised value of the Net Assets.

The Corporation is prohibited from participating in any proposed Roll-Up Transaction:

(a) that would result in the holders of Common Shares having voting rights in a Roll-Up Entity that are less than the rights provided for in Sections 11.1, 11.2, 11.6 and 12.1 hereof;

(b) that includes provisions that would operate as a material impediment to, or frustration of, the accumulation of Shares by any purchaser of the securities of a Roll-Up Entity (except to the minimum extent necessary to preserve the tax status of the Roll-Up Entity), or which would limit the ability of an investor to exercise the voting rights of its securities of a Roll-Up Entity on the basis of the number of Shares held by that investor;

(c) in which investor's rights to access of records of a Roll-Up Entity will be less than those described in Sections 11.4 and 11.5 hereof; or

(d) in which any of the costs of the Roll-Up Transaction would be borne by the Corporation if the Roll-Up Transaction is rejected by the holders of Common Shares.

ARTICLE XV

DURATION

The Corporation shall consider Listing its Common Shares or liquidating on or before the seventh anniversary of the Termination of the Initial Public Offering. In the event that the process of Listing or the orderly liquidation and sale of the Corporation's Assets has not begun before the seventh anniversary of the Termination of the Initial Public Offering as set forth above (unless a majority of the Board of Directors and a majority of the Independent Directors shall approve otherwise and set a future date for such Listing or the commencement of the Corporation's orderly liquidation), then, upon receipt by the Secretary of the Corporation of written requests from Stockholders holding ten percent or more of the outstanding Common Shares (the "Proxy Request") directing that the Corporation formally solicit proxies from the Stockholders holding Shares entitled to vote thereon to determine whether the Corporation should be liquidated and dissolved (the "Proxy to Liquidate"), the Corporation shall send a Proxy to Liquidate to each Stockholder holding Shares entitled to vote thereon within 60 days of receipt of the Proxy Request, or as soon as reasonably practicable thereafter following the receipt of independent appraisals of the Corporation's Assets, which the Corporation shall obtain as part of the Proxy to Liquidate process, and the filing with and review of such Proxy to Liquidate by the SEC if the Corporation's securities are registered with the SEC under the Exchange Act. In response to a Proxy Request,

the Corporation shall not be required to send Proxies to Liquidate to Stockholders holding Shares entitled to vote thereon more frequently than once during every two-year period. To ensure that Stockholders are adequately informed when casting their votes, the Proxy to Liquidate furnished to each Stockholder holding Shares entitled to vote thereon shall include financial information setting forth per share pro forma tax and financial projections that assume that all of the Corporation's Assets will be sold immediately at prices consistent with their appraised values, or such other information as the Corporation deems appropriate and informative, provided in all such cases that the furnishing of such information to Stockholders shall not contravene applicable law or applicable rules and regulations of the SEC regarding the solicitation of proxies, if such rules are applicable. The Proxy to Liquidate shall contain a 45-day voting deadline or set a meeting of the Stockholders holding Shares entitled to vote thereon no earlier than 45 days after notice thereof, and the actual voting results shall be tabulated by the Corporation's independent accountants or an independent agent, who will receive the votes directly from the Stockholders holding Shares entitled to vote thereon. If the Corporation's securities are registered with the SEC under the Exchange Act, the Corporation shall disclose the complete voting results for the Proxy to Liquidate in a Current Report on Form 8-K filed with the SEC or in the Corporation's next annual or quarterly report filed with the SEC for the period following the date on which voting was completed. If a majority of the votes entitled to be cast by the Stockholders holding Shares entitled to vote thereon is cast in favor of the liquidation and dissolution of the Corporation, the Corporation shall immediately commence an orderly liquidation and sale of the Corporation's Assets and will distribute any net sale proceeds therefrom to Stockholders, following which the Corporation shall terminate and dissolve. The Assets of the Corporation shall be fully liquidated within 30 months from the close of the voting deadline applicable to the Proxy to Liquidate. Under no circumstances, however, shall the Board of Directors direct the Operating Partnership to make distributions "in kind" of any Assets to the Stockholders under any liquidation and dissolution conducted pursuant to this Article XV.

In the event that Listing occurs on or before the seventh anniversary of the Termination of the Initial Public Offering, the Corporation shall continue in perpetuity unless dissolved pursuant to the provisions contained herein or pursuant to any applicable provision of the MGCL.

ARTICLE XVI
